READING

1 Read the text and tick (✓) A, B, or C.

Two writers

My name's Simon Charlton and I'm a writer. My wife's name is Louisa and she's a teacher in a language school and also a writer like me. I'm at my desk every day but Louisa has classes at school on Wednesdays and Fridays.

Let's look at Louisa's desk. On her desk, she has an expensive laptop, a pink notebook and two green pens. She also has three or four dictionaries, a box of tissues and a beautiful blue lamp. Her keys, glasses and purse are in her bag and the bag is under the desk. Louisa is very tidy. I think she feels stressed when she looks at my untidy desk.

I have a big, dark grey desk with keys, old bus tickets, magazines, a photo of my family and a lot of books on it. I have boxes of books under my desk too.

The same as Louisa, I have a computer but I also write a lot on paper. I have hundreds of pens and pencils and I have pages from my books all over my desk. I'm hot in my chair but I don't open the window because I'm worried about all the pieces of paper!

My busy week ...

Three of our readers tell us about their lives.

Maria Jose lives in Tenerife, Spain. She gets up at 7 o'clock and goes for a walk on the beach. Then she has a shower and makes breakfast for her husband and her two children. She takes the children to school and starts work at 9 o'clock. Maria Jose is a guide and in the morning she shows tourists around the island. She always goes home for lunch and then in the afternoon she works in the tourist office in Santa Cruz. She works from Monday to Friday, and twice a month she also goes to work on Saturday. In her free time she reads books with the children and does exercise with her friend, Carmen.

Kenzo is a bank manager. He works in Osaka, Japan. He usually gets up very early and leaves his flat at 7 o'clock. He takes the train to work and arrives at the bank at 8 o'clock. Kenzo works for 8 hours with a short break for lunch in a café. When he gets home, he normally listens to music and his wife, Mika, cooks dinner for them. Hi Rosie

Thanks for your email. Here's more news from us in Montreal. It's snowing here and the view from the window is beautiful. Of course, it's very cold but that's normal for winter in Canada. What's the weather like in London?

James is working in Toronto at the moment but just for one week. He usually works in an office here in Montreal. His new job is great and he's really happy. I am still looking for work but I'm happy too. I take the dog for a walk, do some housework or go shopping and I send a lot of emails! I'm going to an Italian cookery class on Tuesdays and I can cook a lot of different pasta dishes now. I'm also free to help Jessica with all her school work.

Montreal East High School is really different from Jessica's school in London and she has a lot of homework every day. She's happy because she can walk to school here – it's near our house – and she sometimes comes home for lunch. She is on the basketball team and knows a lot of girls from playing sport.

Harrison is eighteen now. He's doing a business course at university and he's also studying French twice a week in the evenings. He can speak it quite well now and that's good because a lot of people speak French here and some of his university course is in French. He studies hard and I think he feels quite stressed sometimes. He still lives in our house but he's thinking about moving into a flat with some friends in the summer.

I'd love to see you, so yes, let's plan your visit in May. My Canadian friends say that the weather is quite sunny and warm here in spring. We can do a walking tour of Old Montreal or go to the Botanical Gardens. How long can you stay?

The best festivals in Europe

Read our online guide to choose which European festival is right for you...

Sziget festival

When? In August

Where? Budapest, Hungary

How long? 7 days

First festival? 1993

This summer why not go to Sziget festival in Hungary? Sziget means *island* and the festival takes place in the capital city on Old Buda Island. People come from all over Europe to this festival as well as from Hungary. There's even a special festival train called the Sziget Express which brings people from Germany, Italy and France.

If you like big festivals, then Sziget is the one for you. Almost 500,000 people go to this festival every year. This year it is from Wednesday 8th to Wednesday 15th August so you can enjoy a week full of music, theatre, film and other fun.

What kinds of music performances can you see? Well, Sziget is famous for dance and hip hop music but now you can also hear rock, reggae, jazz and pop. Some performers from recent years are singers such as Rihanna, and bands like Florence and the Machine and Kasabian.

Sziget has a lot of the same performers as the world-famous Glastonbury festival in England, but it has one thing that Glastonbury doesn't have – fantastic weather! The summer in Hungary is always quite hot – often over 30 degrees. A lot of the music is outside but if you really don't like being in the sun, don't worry because some of the performances are inside.

We love this festival and go every year but it isn't for everyone. If you're looking for something small, or you want different music such as classical or folk, read on to find out about other festivals.

Two sisters

My name's Kinga. I'm nineteen and I'm from Warsaw in Poland but I'm not living there right now. I'm living and studying in New York City. I'm a student at The Juilliard School in Manhattan, where you can study drama, dance and music. I play the violin and I'm really happy I can study music at this famous school because the teachers are amazing. My course is for 6 months and I go to school from Monday to Friday. My classes usually start at 9 a.m. I don't live in the centre of New York City because it's expensive, so I get up early and travel to school by bus. I arrive at 8.30 so I can get a coffee in the school café before my lessons start.

I'm learning a lot of American words and my mum says I have an American accent now. I love fast food and I eat hot dogs and French fries two or three times a week.

I have a sister, called Ola, who is twenty-two and she is also a very good musician. She plays the piano and she's a fantastic singer. She's living away from home at the moment too. She's a receptionist in a big hotel in London called the Piccadilly Plaza. Our dad is Polish and our mum is English so we speak two languages. Ola can also speak French and German and she talks to visitors from many different countries in her job. She normally works at the weekend and is often tired because she works late. Our mum's brother lives in London so Ola's staying with him and our cousins, Rachel and Jack. Rachel loves cooking delicious food and she usually makes dinner for my sister.

Example: Kinga and Ola are sisters.

So, Raoul and Emma looked for cheap tickets on the internet. They booked two tickets to Sydney.

On 4th August they arrived at Heathrow airport. They checked in and waited for the plane to leave.

Six hours later they landed at a big airport and changed planes. The new plane was very small and Emma was worried.

After only an hour the plane landed. They looked out of the window. It was a very small airport!

They showed their tickets to a woman in the information desk. Raoul asked, 'When is our next flight?'

The woman was surprised. 'The next flight? This is the end of your journey. You're in Sydney.'

But Raoul and Emma weren't in Sydney, Australia. They were in Sydney, Nova Scotia, a small town in south-east Canada!

Reading and Writing A

READING

1 Read the text and tick (✓) A, B, or C.

This is a funny story and it's true. My name's Shanice. I work in a big London hospital as a nurse and I often work on New Year's Eve so usually I don't do anything special. Last year, however, my friend Becky decided to have a New Year's Eve party so I asked the hospital administrators to give me the night off. They said they needed me but I could finish work at 11 p.m.

So, on 31st December 2017 I took my party clothes to work with me so I could get dressed for the party later. When 11 p.m. came, I found an empty room and put on my party dress. Then I booked a taxi from the hospital to my friend's house. I was really hungry so I bought a sandwich from the small shop in the reception area and had some of it while I waited for the taxi. Of course, it's a busy night because a lot of people go out to restaurants or parties and I wasn't surprised when my taxi was late. I was a bit worried by 11.20 so I phoned them again.

The taxi arrived at 11.30 and I said where I wanted to go, got into the car and put my headphones on. I closed my eyes and enjoyed my favourite music. After about 15 minutes I looked out of the window and I didn't see any streets or houses that I knew. I asked the driver where we were and he said "Very near Agar Road". But Becky lived on Agar Grove. We were in completely the wrong part of London! I told the driver about the mistake and he was very sorry. He quickly changed direction but there wasn't time so last year I celebrated New Year in the back of a taxi with a bit of a sandwich and a bottle of water!

Example: The party was on ____.

A Christmas Eve ☐ B Becky's birthday ☐ C New Year's Eve ☒

Reading and Writing A

READING

1 Read the text and choose A, B, or C.

Our class – the food we eat and when we eat it

The students in our English class are from three different countries: Italy, Japan and Brazil. After talking about typical food and our daily routines at home, we found that we all have breakfast, lunch and dinner. But we were surprised about how different these meals are!

Italy

A typical Italian breakfast, or *pranzo*, isn't very big; just coffee and some kind of cake. Our delicious cappuccino coffee is famous all over the world. Another Italian food that everybody knows is pasta but this isn't the main part of lunch. We have two dishes, the first is pasta and then the second is meat or fish with vegetables. Lunch is usually from 1-3 p.m. and it's often bigger than dinner which starts at 7 or 8 p.m.

Japan

In Japan we really like rice and in the past everybody ate it for breakfast. Now, a lot of Japanese people have European-style food instead when they get up. We are big fans of fish and seafood and a lot of Japanese people prefer green tea to coffee. In general, our meals are smaller than in Brazil or Italy and we think they're healthier too. One popular thing in Japan is *bento*. This is a kind of lunch box which you can make at home or buy at the shop on the way to the office. It's very beautiful and sometimes takes a long time for a chef to make it.

Brazil

Like the Italians, Brazilian people eat a lot of food at lunchtime. A favourite place for lunch in Brazil is called a *churrascaria*. In this kind of restaurant you can enjoy steak and other meat but you need to be hungry! If you don't like eating a large lunch, you can buy some street food like *pastel de queijo*, which is a hot snack with cheese inside. We have dinner later than the Italians at around 8.30 p.m. and it's family time.

Example: All the students eat 3 meals a day at home.

File Test 10
Reading and Writing A**READING****1 Read the travel blog and tick (✓) A, B, or C.****South America**

I hope my short blog helps you plan your travels around this great continent. Here are four of the best places I visited, starting with Venezuela in September.

Canaima, Venezuela

I didn't go to the capital, Caracas, as it isn't the safest place to visit. I only went to Canaima, which is the smallest place in this blog. It's a quiet town in a beautiful national park and people go there because it is the closest place to Angel Falls - the world's highest waterfall. I took a lot of photos but video is better because you can remember the noise of all that water!

Cuzco, Peru

Next, I travelled through Colombia to Peru to see some of the oldest temples in the world, built by the Incas. Cuzco, the nearest city, is very friendly to tourists and I bought a lot of souvenirs. It also has a lot of lovely old buildings and you can learn more about the history of the temples if you visit the museums. Be careful to choose the best time to visit. The busiest months are June and July and Cuzco is full of visitors then. I went in December and it wasn't busy but it rained every day.

Valparaíso, Chile

Valparaíso was more interesting for me than the capital, Santiago. It's a large city, full of colourful houses and a lot of history. I especially wanted to visit the place where the writer Pablo Neruda lived. It's a house with five floors, on top of a hill and you can see the whole city and the sea from up there. It was one of the most expensive tourist sites I visited but I really loved it.

Rio de Janeiro, Brazil

This busy city has views of the mountains and the most famous beaches in South America. I was in Rio for the biggest, loudest party in the world. Of course I'm talking about the Rio carnival. The date changes each year but it always takes place in late February or early March. It's amazing! Don't miss it!

Enjoy your trip. You're going to have a fantastic time.

Reading and Writing A

READING

1 Read the interview and tick (✓) A, B, or C.

Interview with Aleksandr Ivanov

Last weekend our journalist met Olympic skier Aleksandr Ivanov to ask him about his life and work.

Experience

I'm from St Petersburg in the north-west of Russia but I'm living in Alberta, Canada at the moment because it's where some of the greatest skiing teachers are. My wife and three children are still at home but I'm going to go back to Russia in two months. I learned to ski when I was four years old and that's normal for Russian children because it always snows a lot in winter. I was lucky because a famous skier, Oleg Semenov, knew my father and together they helped me to get better and better until I could ski at the highest level. Because I travel a lot, I've learned a lot of languages – English, German and French. I think French is the easiest.

Lifestyle and tastes

I work hard. I get up at 5 a.m., go to the gym for two hours, then go out in the snow for 5 or 6 hours every day. I eat healthily and I haven't drunk any alcohol for many years. At home in Russia, I have dinner with my family in the evening. I often cook the meal because I find it helps me to relax. Sometimes we go out to the theatre, but most evenings I prefer to relax at home and listen to classical music or watch a film on TV. I also play the piano – my wife says quite badly – and I enjoy taking photos. There are some of my photos in one of the art galleries in St Petersburg.

Places

I have fallen in love with Canada. The Nordic Centre where I train is in Canmore, Alberta and the mountains here are fantastic. I'm going to come back next year. Another favourite place is Geneva in Switzerland. Of course, I've been there to ski but I've also visited in summer when it is very sunny and warm. It's an interesting city but it isn't cheap so you can't go out every night. There's a lot to see and last year I had a nice surprise when I found a beautiful Russian church. I feel very comfortable in Geneva.

Hi Rebekkah

How are you? I'm writing to say hello to you from Armando and Sabrina. Do you know they have moved house? They live in a village now. They moved in April so they've lived there for about a month.

Alex and I visited them last weekend but we got lost on the way! Armando gave Alex some directions but he didn't listen very carefully and also it was quite foggy. I think Alex turned left in front of the police station when we needed to turn left opposite the church. We found the house using the map app on my phone but we arrived 25 minutes late for dinner.

Anyway, Sabrina cooked a delicious meal. There was pasta with seafood and then ice cream for dessert. And to celebrate Armando getting a new job, we took a big cake to eat together. He was really happy because it was his favourite – chocolate.

And let me tell you about the house. It's bigger than the old house but it's also warmer because the central heating is better. Armando showed us upstairs. There are five bedrooms and four bathrooms and a study with a lot of shelves for all Armando's books. Downstairs, the living room has luxurious white carpet and comfortable brown sofas. We ate dinner in the dining room where there's a lovely fireplace with a beautiful mirror on the wall above it. I've shared some photos on Facebook if you want to look.

We had a good time together but Sabrina is sad that Armando is going to travel a lot for work and she's bored when he is away. I'm going to have a coffee with her on Friday next week. Are you free? Would you like to come?

The best city in the world

This year Sydney, Australia was voted the best city in the world. As an Australian, I feel very happy about that but my blog isn't about Sydney. I'm Francesca Williams, from the city of Melbourne, where I've lived all my life. I'd like to tell you why I think my home city is better than Sydney.

I'm an actress and I'm working in Melbourne at the moment but I often work in Sydney because they make a lot of TV programmes there so I know the city well.

People say the best thing about Sydney is Bondi beach. I went there in January and it was sunny but windy. The beach was busy and it was noisy because there were so many people. My city is on the south coast and there are wonderful, quiet beaches without many tourists.

Melbourne is also famous for old, interesting buildings, such as the Chinese museum, and there are exciting street markets you can visit. There's a very modern Arts Centre too but of course, the Opera House in Sydney is the most famous concert hall in Australia.

Melbourne has a very good public transport system with buses, trains and trams. If you want to use your car, the roads here are straight and you can drive easily and safely. In Sydney you get lost in ten minutes because there are a lot of roads you can't drive down!

Finally, there are many different nationalities who live in Melbourne so there's an enormous variety of foreign food to enjoy. My favourite food is Italian but you can eat all kinds of European and Asian food. Tomorrow night I'm going to try a new Mexican restaurant which has opened recently. Read my next blog for my food review!

Example: Sydney is bigger than Melbourne.
